Dear Jeff,

Just a short note to let you know how much I enjoyed your seminar. I agree with the evaluations of my associates, when they comment:

"Dynamic, captivating speaker. Realistic, useable content".

"The content was focused on key factors relevant to a broad audience."

"Eloquent and entertaining while imparting useful ideas."

From a personal perspective and as I noted to you earlier, I held rather high expectations for your presentation, and you exceeded them - significantly I might add!

You are a "world class" professional Mr. Mowatt, and I wish you every success in the future.

Sincerely,

Norm Tinker
