

Participant comments from Jeff Mowatt's presentation held January 25, 2008

"Jeff's session helped us to re-focus on what will help the company in the long run. Next year, let's have Jeff do an even longer session."

Jeff Coleman, Co-Owner, Smith-Mathis Inc

"This will help me clear out my procrastination problems and get my staff to work to their potential."

David Keller, CEO, First Quality Supply

"Great presentation! Jeff provided tools for better long term prioritizing."

Miranda Himmelman, Marketing/Sales, Cleanco Truckmounts

"This session helped to clarify which commonsense daily routines can improve business efficiency both personally and in business."

Tim Hendrix, President, Cleanco Truckmounts

"This will help me prevent crisis and stress by focusing on important tasks instead of always urgent matters."

Jeff Watmough, Service Manager, Esteam/Cleanco Truckmounts

"This will impact my planning, which is something I really am working on this coming year."

Nathan P. Fisher, V.P., PNF End.LLC.

"This will help make me a better businessman."

Vincent Begin, President, Select Supplies

"This session has helped me figure out what is just urgent and what is truly important."

David Rusk, Manager, Fibreclean

"This will greatly increase my problem solving."

Allan Butler, Owner, Butler Cleaning Supply

"This session taught me how to deal with multiple tasks more efficiently."

Keith Elkihs, Shipping Manager, Nu-Tech Cleaning Systems
