Dear Jeff:

I have recently received feed back on your presentation at HomeLife's Network '92 Conference in Calgary and felt I should congratulate you.

Your high energy presentation held everyone's attention as you combined your extensive knowledge with your excellent sense of humour.

Our HomeLife members found you to be dynamic and highly motivating. Your positive attitude in life shone through and was extremely contagious!

Thank you for a most dynamic seminar.

Yours truly,

HOMELIFE REALTY SERVICES

Debbie Mellenger, Director
Western Operations
