

# SEARS

## TO THE SPEAKER

Here's to you Jeff, thanks a lot.  
You've really made us mend our thoughts.  
You've shone a light to let us see  
just how easy it can be.

Words and attitude are what we weigh  
to make our customers end a happy day.  
The products there for them to see  
it's how we make them say "THAT'S ME".

With a happy smile and a nice "HELLO"  
we'll win their hearts like a good fellow.  
For all employees lets not lurk,  
we know Sears is a great place to work.

So here's to you Jeff, thanks again.  
We hope you know you rate a ten.
