JC Mowatt Seminars

Dear Jeff,

It was a real pleasure working with you prior to our 20th Convention. Your presentation had everything to do with ending our Convention on such a high and positive note.

I was very pleased that you had taken the information I provided you with to reach and involve our delegates. I noticed that our delegates were actively participating in the seminar.

I look forward to working with you in the future and designing a presentation that will impact our members as "Facing Change With Confidence" did in February.

Yours truly,

Kathryn Cooper
Manager
