

**Participant comments from Jeff Mowatt's  
*Managing Multiple Priorities*  
seminar held October 9, 2014**

***“This was an awesome presentation. It will help my staff think about their work plans and priorities.”***

Sheldon Stechyshyn, Regional Manager

***“Great presentation. This will help us to focus on what’s important and complete that first.”***

Jamie Beswick, Assessment Assistant

***“I feel motivated and have a renewed sense of drive. I hope to use these ideas in both my professional and personal life.”***

Michelle Fuhr, Appraisal Agrologist

***“Please don’t change a thing in this seminar! This session has provided me with a new outlook on my priorities and, unfortunately, discovered that most of my priorities are not leading to my long term success areas.”***

Brad Aasen, Human Resources Consultant

***“I’m tired of making excuses. This seminar has helped me to realize that priorities can be controlled.”***

Andrew Workman, Industrial Manager

***“I like the way Jeff tailored the presentation to SAMA. This was a great reminder as to where my focus needs to be.”***

Tanya Walker, Research Officer

***“Jeff’s presentation will increase productivity and lessen stress levels.”***

Danielle Gates, Associate Appraiser

***“Often what we believe is important, isn’t what is really important. Knowing the difference makes all the difference.”***

Justin Seto, Policy & Process Analyst
